

SPRING CLOTHING—M. GUTMAN & CO.

THE CITY DEFENDANT

In Four Damage Suits Filed in the Circuit Court.

FROM A CHANGE OF STREET GRADE.

The Terminal Railway Company a Party Defendant, as it is Bound to Save the City Harmless—Numerous Matters Disposed of in Court Saturday—Several Criminal Matters Adjudicated.

On Saturday Messrs. Dovenor and Coniff filed the preliminary papers in suits against the city by four South Side property holders for \$5,000 each. The plaintiffs are Patrick Weir, John Wilkie, Philip Hildebrand and Patrick Campbell.

These suits grow out of a change in the grades of certain streets in the vicinity of and on the north side of Caldwell's run. They will be consolidated and tried as one suit, and the Wheeling Bridge and Terminal Railway Company will be made a party defendant, as by the terms of section 6 of the ordinance passed by Council January 17, 1890, the company agreed to indemnify and save harmless the city from "every and all loss or damage which may in any way be incurred or suffered by the city of Wheeling, growing out of the rights, privileges and grants contained in this ordinance."

In changing the grade of the streets in the vicinity of Caldwell's run, made necessary by the building of the railroad south of the Chapline hill tunnel, the drainage of a number of lots was seriously interfered with. This was repeatedly brought to the attention of the Council committee, and examinations of the ground were made, but nothing was ever done to remedy the trouble; hence the suits. It is understood that several additional suits were to be brought, among them one by Joseph Weidman, a neighbor of these defendants, but it is said the Terminal company compromised with him.

In the Circuit Court.

In Judge Campbell's court, Saturday, motions and demurrers were disposed of in the cases of Kirwin & Taylor vs. Nail City Lantern Company; James McDonald vs. Mary Colvig; Jerry Crawford vs. Nicholas Crawley's administrator; W. M. Handlan vs. Frew, Campbell & Hart; Prisca Albinger vs. Bridget Cabell; Catharine Fitzpatrick's administrator vs. Citizens' Railroad Company et al.; Ida Moore's administrator vs. Citizens' Railroad Company.

The case of John Gartner vs. John R. Manley, et al., was continued until next Saturday.

J. R. Handlan, licensed to practice law a few days ago, was admitted to the bar yesterday.

The petit jury is summoned for tomorrow, when the case of Butts, Britt & Watson vs. H. C. Hunter will come on.

In Judge Paul's court in the case of Emma Burkett vs. Hilfam Burkett, J. B. Summerville, with the leave of the court, withdrew his appearance.

In city vs. Paige, Carey & Co., A. J. Carpenter and Amanda Carpenter filed petitions.

Petitions were filed by J. A. Holliday & Sons in fourteen Paige, Carey & Co. suits.

In the case of Prisca Albinger vs. P. Riley leave was given plaintiff to file an amended declaration in open court.

The case of Kitty Stewart vs. the United States Express Company was dismissed.

In S. G. Gregg vs. E. E. Brosius the judgment of the justice was reversed.

In Emma Mittelschmidt vs. Alex. Weiss & Co. the demurrer of Adam Breslau was overruled. He pleaded non-assumpsit, the non-residence of the plaintiff was suggested, and security for costs demanded.

Charged with Disorder.

Mrs. Jock Ernst, better known as "the snake charmer," having formerly been in that business, was arrested Saturday evening, with her brother, Walter Madison. Officers O'Brien and Moran made the arrests. Madison got into a fight with his sister, and Henry Knoke was involved in some way, and got his head split badly. The two prisoners were locked up all day yesterday, and their case will be inquired into by the mayor this morning.

The Insurance Frauds.

Saturday at 4 p. m. the cases against B. H. Whitson and Dr. R. L. Ashbrook, accused of frauds in connection with the policies issued by the Metropolitan Life Insurance Company, were called by Squire Arkle at the jail office. The state moved to dismiss the cases, and this was done. The men were then rearrested on warrants sworn out by Inspector Lyons, and held for a hearing Tuesday evening.

A PRIZE FIGHT MADE.

A Genuine Set-to to Come Off in a Short Time Now.

Saturday evening there was a quiet meeting in this city, attended by representatives of Mike Howley, the well-known pugilist, who has made his headquarters in Wheeling for some time past, and Prof. James Gillespy, of Ohio. They made a fight for \$250 a side, to come off May 16 within fifty miles of Wheeling, but not in West Virginia. It is for "twenty rounds or more," which of course means to a finish, and with "the highest gloves the law allows," which means a good deal.

The two men are pretty well matched, in the neighborhood of 135 pounds, and there is no doubt that they will make a gamey fight. Several bets have already been made on the result. The fight is to be in private, and no gate money will be taken.

Decoration Day Exercises.

The joint committee of the G. A. R., W. R. C. and S. of V., appointed to arrange for the observance of Memorial Day, met Saturday night, and elected as chairman, Richard Robertson, of Holiday post, and H. W. Thurber, of the Sons of Veterans, associate chairman. The first thing done was the arrangement for a memorial sermon. A committee was appointed to select a minister. Rev. A. B. Riker, of the Fourth street M. E. church, gladly consented to deliver a sermon on Sabbath morning preceding Decoration Day. All of the posts and Woman's Relief Corps will attend this service.

Holmeir's Dyeing Establishment.

Mr. J. Holmeir, proprietor of the Pan Handle Dyeing establishment, No. 1431 Market street, has placed improved machinery in his place, and is prepared to do all kinds of scouring, cleaning and dyeing. Clothes repaired neatly and on short notice.

LOCAL BREVITIES.

Matters of Minor Moment in and about the City.

THE GRAND this evening—"The Fairies Well."

OPERA HOUSE this evening—"The Old Homestead."

SNOW and ice were reported in the rural regions Saturday morning. Just a little snow fell here.

GUSSE ALLEN, committed to jail as a person not of good fame, was released Saturday on her own recognizance.

THERE was a "whitewash" in the police court Saturday morning, and Annie Costello was the only person arraigned in the evening. She was given fifteen days in jail on the same old charge of plain drunk.

SADIE PATTERSON, colored, was committed to jail Saturday by Squire Gillespy, to await a hearing on the charge of stealing Fannie Preston's diamonds. Ida Jones, a former inmate, was also held as a witness.

JOHN T. SHEPFLIN had a hearing before Squire Arkle in the jail office Saturday on the charge of stealing ten barrels of oil from the B. & O. railroad company, and in default of \$200 bail he was remanded to jail.

THE case against James A. Gordon, H. B. Wills and young Parsons, for trespass on the premises lately occupied by the Parsons photograph gallery, in the McLain block, was postponed by Squire Arkle till to-morrow night.

A COMMITTEE from the Benwood council and Mr. Jolly of the electric railway went over the route of the road in Benwood yesterday, and it was decided to place the track on the left hand side of the road to the water tanks, and from there down on the right hand side.

TAPPAN & CONVEL, the popular and enterprising photographers, have taken a large sized photograph of the officers of Kilanion Lodge No. 18, A. O. U. W., and presented a copy, neatly framed, to that body. The lodge, at the last meeting accepted the present and recorded a vote of thanks to the donors.

THE Knights of St. George of the Cathedral will soon begin regular drills for the purpose of preparing to enter the prize drill in connection with the annual convention of the R. C. U. Knights of St. John, in Pittsburgh, in June. The local society will choose delegates at the next meeting. Capt. George J. Mathison, of this city, is the national treasurer of the organization.

WATER BOARD ELECTION.

The Board to Meet his Afternoon for Organization.

It is understood that the city water board will meet this afternoon to elect officers. There has been a good deal of talk about the aspirants for the several positions, and there have been numerous rumors of "deals," but it is yet about as indefinite who will secure any position as it could be.

The candidates announced for the superintendent of the works are Messrs. Charles Olliver, George Varney, William T. Jenkins and James Riddle, the last named a former superintendent.

For secretary the only candidates so far mentioned are John W. Schellhase, now assistant postmaster, and Wilbur Robison, of the Island.

For the other positions in the gift of the board the candidates mentioned are M. H. McNabb, H. B. Drabelle, Charles Reed, Barney Burke, Thomas D. Bennett and John Beymer. There are two assessors and a "shut-off" man to be appointed.

John Whyte, who was much talked of as secretary of the board, is not an applicant for the position, and his name will not be presented to the members. Both Democratic and Republican friends urged him to run, but he refused.

Riding on the Air.

It was Mrs. Malaprop, probably, who said she didn't want any rheumatic tire in hers, because she was already tired of rheumatism. Of course the good woman had got hold of the wrong end of a pneumatic tire. It is so great a delight to ride on air that the rider who knows what's what is coming to the front like a little man and getting a wheel with the air tire. K. Hoge invites everybody to drop in at bicycle headquarters and select from the best. The Columbia and Phoenix are head of the heap. 1113 Market street.

VAN CLEYE—On Sunday, April 16, 1893, at 7 o'clock p. m., N. H. VAN CLEYE, aged 66 years.

Funeral notice hereafter.

Removed—every vestige of Catarrh in the head, no matter how bad the case, or of how long standing, by Dr. Sago's Catarrh Remedy. Not only Catarrh itself, but all the troubles that come from it—they're perfectly and permanently cured by its mild, soothing, cleansing and healing properties.

If you could only be sure of that, it's enough. The proprietors of Dr. Sago's Remedy try to prove it to you. They are sure enough of it—a record of 25 years, with thousands of the most hopeless cases, has satisfied them—but how can they prove it to you? There's no better way than with money. So they say this, and they mean it: "If we can't cure your Catarrh, no matter what your case is, we'll pay you \$500 in cash. There's a chance that you can't be cured, but it's so small that we're willing to take it."

What more can they say or do to convince you? Isn't that enough?

YOUR MONEY SPENT,

Does not always mean your money invested, as it should. There is a great difference between spending one's money and investing the same. You may spend \$100 in many different ways and still not have a penny invested as it should be. When you put your money in a savings bank it is invested, it bears interest, it is well expended; you get it back again. That is money invested as it should be. When you buy a suit of clothes made in the proper style and price, it is money invested as it should be. The kind we sell at the STAR, the proper style and at the proper price. When it comes to fit, we are there too, all the time and in every instance. Our tables are chuck full of the most beautiful line of Suits and Overcoats ever shown.
